When faced with a mountain
I will not quit.
I will keep striving until I climb over,
find a pass through,
tunnel underneath,
or simply stay and
turn the mountain into a gold mine,

Core Values

Biblically Based - We believe the Bible is God's Word and guides every aspect of our lives.

Value of Work - Through work we worship God and carry out His unique purpose for our lives.

Respect - All people are valuable, created in God's image and should be treated with the utmost dignity and respect.

Excellence - We strive for excellence in all that we do for the Glory of God.

Why **JOBS for LIFE**™ ?

Benefits:

There are many people lacking the skills necessary to initiate and sustain a productive job search, resulting in marginal living and often poverty. JfL students not only learn the tools to gain and maintain employment, but upon graduation successfully complete a lifetime vocational roadmap.

JfL students quickly learn that they are not alone as they are guided through the career and skills assessment process. Goals are developed, new skills are acquired and roadblocks are recognized and overcome.

JfL training is uniquely implemented by volunteers from OASIS, our sponsoring churches and other community based organizations. Participants experience an extraordinary sense of support to effectively achieve course requirements ensuring success well after graduation.

Unique:

JfL training is distinct from other job training programs because of the way it engages the business community as a primary customer. Businesses receive employees from JfL training who demonstrate the attitude and work ethic needed to be a valuable asset to the company, with the support system needed for continued success.

Proven Results:

- ♦ Employment rates increase among JfL program participants.
- ♦ Job retention rates increase among JfL program graduates.
- ♦ JfL students demonstrate measurable improvements in work related skills, gaining increased confidence from the experience and knowledge achieved.
- ♦ Students of JfL are connected to a community of support.
- ♦ JfL students seeking additional training are plugged into future opportunities.
